condemns says that

France was that
the French Govern-
ment had learned from
their experience that
it was better to have
no arms at all than
to have arms which
were not under their
control.

The World's spe-
cial Peace Commis-
sioners were also
of the opinion that
the time had come
when it was neces-
sary to take steps
to prevent the possi-
bility of another
war.

The Commission
was composed of
representatives of
the United States,
Great Britain, France,
Italy, Japan, China,
India, Persia, Egypt,
Greece, Turkey, and
Russia.

The Commission
was organized by
the League of Nations
in 1918, and its
work was continued
by the Council of
Europe after the war.
It has since been re-
organized several times,
and its work has been
continued by the
United Nations.

The Commission
has been successful in
its efforts to prevent
war, and its work
has been highly re-
spected by the world.
It has been a great
benefit to humanity,
and its work will
continue to be so.
